Exit & Succession Advisory Board

FOR LARGE AND SMALL CONSULTING BUSINESSES

MAUS Advisory Board Consultants Pack

01 Unlimited Exit & Succession Plans

Create unlimited exit & succession plans with the click of a button

02 Save 50-90% of the time

Customisable sample content combined with automatic financial generation

03 Stand out from the crowd

Provide your client with practical business insight and strategy success tracking

04 Reseller status to earn more \$\$

Get 5 units of stock to sell on your website - completely repay your investment

MAUS Advisory Board Consultants Pack will help you produce professional and effective exit and succession plans for your client in 50-90% of the time. But instead of walking away from your client at this point, MAUS gives you a cloud based platform, MAUS Advisory Board Hub, to establish a profitable recurring relationship with your client aimed at getting the exit and succession plan implemented.

One of the biggest problems a business will face during this period is a lack of systems and accountability, and the absence of a coach/advisor to support the implementation of new exit & succession strategies. The MAUS "exit and succession" advisory board pack gives you the technological ammunition you need to stand out from the crowd, and engage your clients on a profitable ongoing basis.

FEATURES INCLUDE

Client / Consultant Branding

Import / Export of data

One page KPI Scorecards

Deadline monitoring with auto-reminders

Customise reports

Business exit audit with reports; action plan, gap analysis, and exit business plan

Exit & Succession Advisory Board

FEATURES

Client / Consultant Branding

Brand your business plans and cloud based portal with your practice and client's information, including logos, colours, contact details, etc.

Import / Export of Data

Your client is the expert of their business, you are the expert in the process of exit & succession planning. The import / export feature allows you to become the project manager of the exit & succession process.

One Page KPI Scorecards

Your clients need to know what is happening in their business. You can establish custom KPI scorecards and view result in graph format. Now you can sit down on a monthly basis and review their strategy and milestone implementation.

Deadline Monitoring with Auto-reminders

Set scheduled email reminders to your client to keep them accountable to set deadlines. Increase your perceived value / client touch points with out any added time investment.

Customise Reports

Customise the detail of your plan based on your objectives. The range of plans available are ideal for bank loan applications right through to setting strategic direction.

Business Exit Audit

Conduct an audit of your clients business using an easy to deliver checklist. From the data collected in this audit you can generate unlimited reports, including;

- Exit attractiveness Report
- Exit gap analysis
- Exit action plan
- Exit business plan

Microsoft Office Integration

Customise your plans directly inside Word, allowing full ability to apply your company branding

Become a reseller - return your investment completely

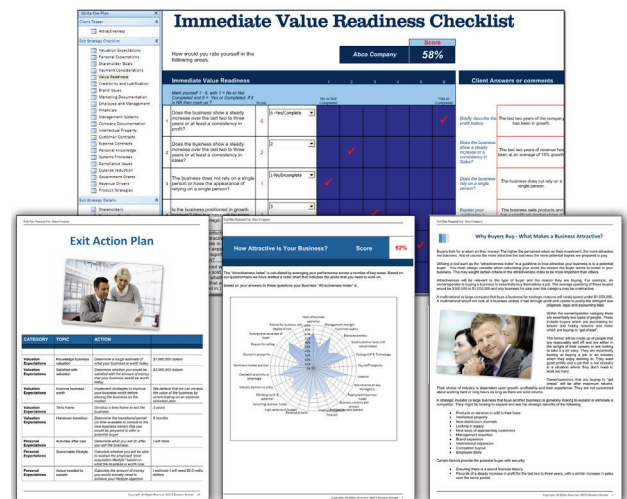

What if your prospect decides not to engage in your monthly advisory services? Now you can offer a 'do it yourself' pack to clients unable to afford monthly engagement with an advisor. We will give you some Exit Planning Client Packs for free to sell at 100% margin - so you can return your MAUS investment completely. The Exit Planning Client Pack includes:

- 1 - MAUS Your Business Success client Software
- 2 - Exit planning e-guide
- 3 - Business valuation calculator

Fastrack your Advisory Practice

The award winning MAUS Advisory Board software will help you to fastrack your advisory practice and give your practice a competitive edge!

Using "state of the art" cloud based technology the Business Advisory Board Hub will completely transform your clients business and your practice. With over 20 years experience in designing programs for consultants and advisors MAUS has developed the most profitable advisory methodology in the market. This pack includes: Advisory Board Hub (cloud software), Exit Plan Pro, Client Needs Proposal Writer and a program you can give to your client - Business Success Hub.

A highly impressive, effective and "must have" tool for any exit planning advisor serious on building a profitable practice.

Chris Snide - President and CEO, Exit Planning Institute

I love it! ...My staff & contractors now automatically receive a weekly email reminding them of overdue tasks and I can login and see instant performance reports! Great product

David Lin, CEO, Apex Pacific

Exit & Succession Advisory Board

About MAUS

Why choose MAUS

MAUS is an award winning Australian owned company. Over the years, the MAUS range of business planning, human resources and business process resources have been shipped to over 55,000 businesses and been used in over 30 tertiary education institutions.

For over 20 years, MAUS has been a leading publisher of innovative management software and learning programs targeted to small to medium sized business sector and business advisors. The brand was originally established by Peter Hickey, CEO in February 1990.

To maintain its market leadership, MAUS has demonstrated year after year the ability to continually deliver high quality, high featured practical software at a fraction of the price of our competitors. MAUS has developed an international network of advisors with over 45 partner offices around the world
